

FOUNDATION FOR RUSHFORD-PETERSON SCHOOLS

ANNUAL REPORT

The Foundation for Rushford-Peterson Schools is a charitable organization that strives to ensure R-P students and alumni become successful members of society by building relationships to inspire lifelong learning and the development of character. The foundation places an emphasis on academic scholarship and the enrichment of the educational environment and co-curricular activities within our district.

Scholarships Scholarship have been awarded annually since 2013 with a goal of awarding at least 10% of graduating seniors with a \$500 scholarship for their post-secondary education. **In 2019, the generosity of our community members and businesses enabled us to award 16 scholarships to graduates who are continuing their education at trade schools, 2-year, and 4-year colleges - greatly surpassing our 10% goal. Families and individuals provided another 9 scholarships. (The 2019 scholarship winners are pictured below.)**

Angel Fund Help financially disadvantaged students fund needs related to their education - field trips, drivers ed, technology, milk/snack breaks, etc. Anonymous program, only school administrators know who is helped. Students may pay it back by helping in school or in the community.
